

# John Wesley's House Trail

## Family Trail

Name.....

### Introduction

Starting downstairs go from room to room and see if you can find all the objects and answer the questions.

1

Have a look around this room.  
What room do you think this is?

.....

2

This is where Betsy, John Wesley's Housekeeper, would have spent a lot of her time.

There are some things in this room that we also use in our kitchens today. What can you see?

3

Find John Wesley's teapot.  
Why did he not like drinking tea?

He thought it was:

U.....

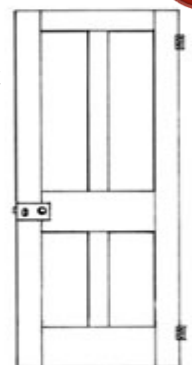

4

Let's go upstairs.

At the top look at the door on the left, who do you think used this door?

.....

5

In the 18<sup>th</sup> Century wallpaper was made by pressing blocks of wood with ink on them onto paper, all done by hand! Can you draw one of the flowers on the wallpaper?

(Please don't lean on the furniture or walls)

6

This is John Wesley's Chamber Horse. He used to sit on it and jump up and down so it felt like he was on a real horse.

He thought it was good:
